MANILA MINING CORPORATION NOTES TO FINANCIAL STATEMENTS

Note 1 - Operations; registration with the Board of Investments (BOI)

Manila Mining Corporation (the Parent Company; the Company) was incorporated in the Philippines and registered with the Securities and Exchange Commission (SEC) on June 3, 1949, primarily to carry on the business of mining, milling, concentrating, converting, smelting, treating, preparing for market, manufacturing, buying, selling, exchanging and otherwise producing and dealing in precious and semi-precious metals, ores, minerals and their by-products. The parent company's shares are listed and traded on the Philippine Stock Exchange (PSE). On April 16, 1999, the SEC approved the extension of the Parent Company's corporate term for another fifty (50) years upon expiration of its original term on May 30, 1999. Lepanto Consolidated Mining Company (LCMC), a publicly listed company, and its subsidiaries, has 20% equity interest in the Company.

The principal office of the Parent Company is located at the 20th Floor, Lepanto Building, 8747 Paseo de Roxas, 1226 Makati City.

The parent company had a total of Seventy (70) regular employees as of 30 June 2017.

On May 11, 2011, the Parent Company, KCGRI and Philex Mining Corporation (Philex), finalized an agreement for the exploration and joint development of the Kalaya-an Project located in Placer, Surigao del Norte.

Prior to the expiration of EP-XIII-014-B, an application for another renewal was filed by KCGRI on 18 April 2012 for the purpose of conducting a more in-depth and detailed exploration in the area and to complete the feasibility study.

Pursuant to the agreement, the Parent Company sold to Philex a total of 125,000 shares of stock of KCGRI, representing a 5% interest in KCGRI, for a consideration of US\$25 million. Philex shall earn an additional 55% interest in KCGRI by sole-funding all pre-development expenses including a final feasibility study for the Project. The development of the Project shall be undertaken jointly by the Parent Company and Philex.

<u>Note 2 – Basis of Preparation, Statement of Compliance and Summary of Significant Accounting Policies</u>

The financial statements of the Company have been prepared under the historical cost basis, except for AFS financial assets that have been measured at fair value and presented in Philippine Peso.

The financial statements have been prepared in accordance with Philippine Financial Reporting Standards (PFRS). PFRS requires the use of certain critical accounting estimates. It also requires management to exercise judgment in the process of applying the Company's accounting policies. The areas involving higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed properly.

The accounting policies adopted in the preparation of the financial statements are consistent with the most recent annual financial statements.

Note 3- Cash

This includes cash on hand and cash with banks. Cash with banks earn interest at the respective bank deposit rates.

Note 4- Receivables

This account consists of other nontrade receivables which is non-interest bearing comprise mainly of receivables from sub-contractors and third parties.

Note 5-Pre-payments

This account represents contract deposits, prepaid royalties & miscellaneous deposit.

Contract deposits pertain to deposits made for future drilling services.

Prepaid royalties are advance payments to claim owner while miscellaneous deposits are advance payments made to suppliers of services.

Note 6- Property, Plant and Equipment

Property, plant and equipment, except land, are carried at cost less accumulated depletion, depreciation and impairment, if any. This includes exploration costs which are materials and fuels used, surveying costs, drilling costs and payments made to contractors. Exploration costs are capitalized up to the point when a commercial reserve is established and are assessed for impairment.

Note 7 – Other Assets

This account consists mainly of Mine rehabilitation fund (MRF), Advances to landowners and miscellaneous deposit.

MRF is for physical and social rehabilitation, reforestation and restoration of areas and communities affected by mining activities, for pollution control, slope stabilization and integrated community development.

Advances to landowners pertain to advances made to certain landowners for future purchases of parcels of lands.

Miscellaneous deposits pertain to advances made to local government agencies for pending project agreements.

Note 8 – Available for Sale (AFS) Financial Assets

These include quoted and unquoted equity instruments.

Quoted AFS financial assets pertain to investment on common shares of various local public companies and are carried at fair value on the exit market price. Unquoted AFS financial assets pertains to investment in private company which have no fixed maturity date or coupon rate and are carried at cost.

Movement in the Cumulative changes in fair values of AFS financial assets presented as separate component of equity amounted to P47.18 Million.

Note 9– Accounts Payable and Accrued Expenses

These represent Trade payable and accrued expenses. Trade payable include local purchases of equipment, inventories and various parts while accrued expenses includes accrued payroll which are normally payable within five (5) to ten (10) days.

Note 10 - Non-trade Payables

This account represents payables to affiliates.

Note 11 – Retirement Benefits Obligation

Under the existing regulatory framework, Republic Act 7641 requires a provision for retirement pay to qualified private sector employees in the absence of any retirement plan in the entity, provided however that the employee's retirement benefits under any collective bargaining and other agreements shall not be less than those provided under the law. The law does not require minimum

funding of the plan.

The net defined retirement benefits liability or asset is the aggregate of the present value of the defined benefit obligation at the end of the reporting period reduced by the fair value of plan assets (if any), adjusted for any effect of limiting a net defined benefit asset to the asset ceiling. The asset ceiling is the present value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan.

The cost of providing benefits under the defined benefit plans is actuarially determined using the projected unit credit method. Defined benefit costs comprise the following:

- Service cost
- Net interest on the net defined retirement benefits liability or asset
- Remeasurements of net defined retirement benefits liability or asset

Service costs which include current service costs, past service costs and gains or losses on non-routine settlements are recognized as expense in consolidated statement of comprehensive income. Past service costs are recognized when plan amendment or curtailment occurs. These amounts are calculated periodically by independent qualified actuaries.

Net interest on the net defined retirement benefits liability or asset is the change during the period in the net defined retirement benefits liability or asset that arises from the passage of time which is determined by applying the discount rate based on government bonds to the net defined retirement benefits liability or asset. Net interest on the net defined retirement benefits liability or asset is recognized as expense or income in statement of comprehensive income.

Remeasurements, comprising actuarial gains and losses, are recognized immediately in OCI in the period in which they arise. Remeasurements are not reclassified to statement of comprehensive income in subsequent periods.

The Group's right to be reimbursed of some or all of the expenditure required to settle a defined retirement benefits liability is recognized as a separate asset at fair value when and only when reimbursement is virtually certain.

Fair Values

The methods and assumptions used to estimate the fair value of each class of financial instruments for which it is practicable to estimate such value:

Cash, Receivables, Trade Payables and Accrued Expenses

The carrying amounts of cash, receivables, trade payables and accrued expenses are all subject to normal trade credit terms and are short term in nature, approximate their fair values.

AFS Investments

Fair values of investments are estimated by reference to their quoted market values made during the balance sheet date as of the end of last year. Unquoted equity securities are carried at cost net of impairment in value, since fair value of these AFS securities cannot be reliably determined as these securities are not listed and have no available bid price. The Company has no investments in foreign securities.
